**Product Detail:**

**Product Description**

This mosaic is a very popular style at the moment. A single small triangular metal block is embedded in the marble, which is very distinctive. Hexagon Metal and Marble Mosaic tiles are crafted from polished marble and triangular stainless steel metal. Carrara is a premium natural stone from Italy, while metal transforms your home into a magnificent space.

Geometric blocks can create beautiful layouts and designs when mixed and matched with other colors. It's also low maintenance and easy to clean to make your life easier.

### Product Application

European and American homes must have a luxurious and noble decoration style, so you can design stone mosaic puzzles and some gorgeous fancy patterns, which will better match the entire design style, otherwise, the simple design will appear a bit abrupt, For the decoration style, it is still necessary to pay attention to matching and harmony. This product can be used as marble and gold backsplash tile in interior decoration. Natural stone shower walls and stone mosaic tile backsplash are the best places to install.

This premium tile brings a desirable and elegant look to your living room, kitchen and bathroom. Please contact with us if you are planning to use this hexagon marble tiles with metal inlays tile to your renovation project.

#### FAQ

Q: Is marble mosaic good for shower floor

A: It is a good and attractive option. Marble mosaic has many styles to choose from 3D, hexagon, herringbone, picket, etc. It makes your floor elegant, class, and timeless.

Q: Could the scratches be removed if happened?

A: Yes, fine scratches can be removed with automotive paint buffing compound and a handheld polisher. A company technician should take care of the deeper scratches.

Q: I didn't import products before, can I buy your mosaic products?

A: Sure, you can order our products, and we can organize a door-to-door delivery service.

Q: I'm Wholesaler. Can I get a discount?

A: Discount will be offered depending on the packing requirement and mosaic quantity.
