Product Application

This natural marble mosaic has high hardness, high density, and small pores, and is not easy to absorb water. It can be used in kitchens, bedrooms, toilets, and bathrooms. Arabesque marble tile backsplash, marble mosaic tile bathroom, and mosaic tiles in the kitchen backsplash are good choices to be used on. Especially in wet area like the shower room, these marble waterjet tiles are available to prevent water after sealing the surface and joints.

The product is waterproof and pasted on the fiberglass net, and it can be installed directly after receiving the goods, which is simple and convenient.

FAQ

Q: Can I use this water jet mosaic marble tile around a fireplace?

A: Yes, marble has excellent heat tolerance and can be used with wood burning, gas, or electric fireplaces.

Q: How to cut natural marble mosaic tiles?

- A: 1. Use a pencil and straightedge to make a line you need to cut.
2. Cut the line with a manual hacksaw, it needs a diamond saw blade which is used for marble cutting.

Q: Can stone mosaic tile be installed on drywall?

A: Do not directly install the mosaic tile on drywall, it is recommended to coat thin-set mortar which has a polymer additive. Thus the stone will be installed on the wall stronger.

Q: What is your order procedure?

- A: 1. Check the order details.
2. Production
3. Arrange shipping.
4. Deliver to port or your door.
