### Product Detail:

#### Product Description

Elevate your space with the exquisite Blue Maravilla Valentino Bardiglio Tulip Polished Marble Mosaic Tiles. Designed to impress, these tiles combine the luxurious allure of Crystal Blue Marble with the radiant beauty of Thassos Crystal White Marble, creating a stunning visual impact perfect for any interior design project. The Valentino Bardiglio Tulip Polished Marble Mosaic features a distinct tulip shape that adds an artistic flair to your spaces. This unique design allows for endless creative possibilities, making it ideal for both contemporary and traditional aesthetics. The soft, polished finish enhances the natural veining of the marble, creating a

sophisticated look that catches the eye and draws admiration. Crafted from high-quality blue marble stone tiles, these mosaics are not only beautiful but also durable. Marble is known for its longevity, making it an excellent choice for high-traffic areas. With proper care, including regular cleaning with a mild, pH-neutral cleaner, your Valentino Bardiglio Tulip Polished Marble Mosaic Tiles will maintain their stunning appearance for years to come.

**Product Application**

Imagine transforming your bathroom into a serene retreat with mosaic blue bathroom tiles that exude elegance and tranquility. The delicate combination of blue and white in these tiles creates a calming atmosphere, perfect

for unwinding after a long day. Whether used in a shower, as an accent wall, or around a freestanding bathtub, these tiles will turn your bathroom into a luxurious oasis. In kitchens, the blue and white mosaic tile backsplash provides a striking focal point that complements both modern and classic cabinetry. The polished finish reflects light beautifully, brightening your space while adding a touch of sophistication. This backsplash not only protects your walls from splashes and spills but also enhances the overall design of the kitchen.

The versatility of the Blue Maravilla Valentino Bardiglio Tulip Polished Marble Mosaic Tiles makes them suitable for various applications. Whether you're looking to add a touch of luxury to your living room, create a stunning feature wall, or enhance your outdoor spaces, these tiles will deliver. Their unique design and color palette ensure they fit seamlessly into any décor style, from minimalist to opulent.

## FAQ

Q: Does your tile have a difference between the display photo and the real product when I receive it?

A: All products are taken in kind to try to show the color and texture of the product, but the stone mosaic is natural, and each piece may be different in color and texture, and due to the shooting angle, lighting, and other reasons, there may be a color difference between the real product you receive and the display picture, please refer to the real thing. If you have stricter requirements on color or style, we suggest you buy a small sample first.

Q: What is the minimum order quantity?

A: The MOQ is 538 sq. ft (50 sq. mt), and less quantity is available to negotiate according to the factory production.

Q: How can I pay for the products?

A: T/T transfer is available, and Paypal is better for a small amount.

Q: Do you have agents in our country?

A: Sorry, we don't have any agents in your country. We will let you know if we have a current customer in your country, and you can work with them if possible.
