### Product Detail:

#### Product Description

Waterjet marble mosaic tile is mainly completed by using natural unique colors, textures, and natural stone materials that are coupled with ingenious artistic conception and design.

Through water jet technology, a boring tile becomes an impressive and vivid tile and brings more flowing elements to your home. This white arabesque marble tile is customized by our product designers which use thin chips to create a wavy arabesque look. They cut Crystal

White Marble into gourd shapes and cut Carrara White Marble wavy lines to surround the gourds and embellished with grey marble dots. The white surface looks bright and simple and is harmonious with most decoration styles.

### Product Application

There are many types of waterjet stone mosaic, while the arabesque marble mosaic is the most popular and classic. In order to maintain its original structure and value, we usually install these marble mosaics on the wall and backsplashes. In interior home rooms, kitchens, washing rooms, offices, hotels, and other decorative walls, you can cover with this White Wavy Arabesque Marble Wall Mosaic Tile. The most common uses are stone wall mosaic, interior stone cladding tiles, decorative stone wall tiles, mosaic tile back splash, mosaic tiles backing, and so on.

Maybe you will concern about the adhesive strongness of such small dots and the lines, will it drop during the installation? The answer is it is unavoidable, and you can re-paste on the net and cling to the wall tightly. Then using the mortar to seal the gaps. We think the installers will handle it perfectly.
