### Product Detail:

#### Product Description

This green mosaic tile is made of China Green Flower Marble chips, we select the irregular marble chips from the marble factory and produce them into green mosaic chips. As a natural stone mosaic, it is a LifeProof building material. Natural green marble seldom exists on the earth, but it is preferred by more and more building contractors and interior

residential designers. We mainly manufacture this green marble mosaic into brick chips. We can offer a piece of sample to you if you need it. Please contact us if you need any services.

### Product Application

This China Green Flower Marble Square Mosaic Tile has a variety of applications, and it can be used as stone mosaic bathroom tiles, kitchen tiles mosaic designs, and outdoor stone mosaic. Specific apply for marble mosaic wall tile, marble mosaic floor tile, stone mosaic tile backsplash, and decorative pool mosaics.

We have some mosaic projects which use this green mosaic stone for landscaping pool decorations. The contractors are satisfied with the finished looks, and please see the below photos of their project views.

These pools and fish ponds are used in both dark and light colors mixed with China Green Green Marble and it makes gradient colors when the water is waving in the pool. If you want to custom a pool like this, why not choose these green marble mosaics?

## FAQ

Q: How do you deliver the mosaic products to me?

A: We mainly ship our stone mosaic products by sea shipping, if you are urgent to get the goods, we can arrange it by air as well.

Q: What are your payment terms?

A: Our payment term is 30% of the amount as a deposit, 70% paid before the goods are delivered.

Q: How can I pay for the products?

A: T/T transfer is available, and Paypal is better for a small amount.

Q: What is your minimum quantity?

A: The minimum quantity of this product is 100 square meters (1000 square feet)

Q: Is the actual product the same as the product photo?

A: The real product may differ from the product photos because it is a kind of natural marble, there are no two absolute same pieces of the mosaic tiles, even the tiles as well, please be noted this.
