## Product Application

Oriental White Marble is a Chinese quarried stone, there are light gray clouds on the surface, it is also named Chinese Carrara Marble. This marble is favored by many designers from around the world. This Oriental White chevron harlow picket mosaic tile is mainly used for interior walling projects of home improvement and renovation. You can put it in the kitchen area, dining area, and vanity area, applying it as a mosaic for the kitchen walls, decorative mosaic tile backsplash, and backsplash kitchen mosaic.

We adhere to the principle of honesty and quality assurance because honesty and quality are the life of our company.

## FAQ

Q: How to clean the marble mosaic shower floor?

A: Using warm water, mild cleaner, and soft tools to clean the floor.

Q: Marble tile or mosaic tile, which is better?

A: Marble tile is primarily used on floors, mosaic tile is especially used to cover walls, floors, and backsplash decoration.

Q: Should I choose marble mosaic tile or porcelain mosaic tile?

A: Compared with porcelain mosaic tile, marble mosaic tile is easier to install. Although porcelain is easier to maintain, it is easy to be broken. Marble mosaic tile is more expensive than porcelain mosaic tile, but it will increase the resale value of your home.

Q: What certificate does the product have?

A: We don't have any certificate about our stone mosaic products.

Q: What are your payment terms?

A: Our payment term is 30% of the amount as a deposit, 70% paid before the goods are delivered.
