FAQ

Q: What is a Wooden White marble mosaic?

A: Wooden white marble mosaic refers to a type of mosaic tile made from wooden white marble that is designed to resemble the appearance of wood. The tile features patterns, textures, or color variations that mimic the natural grain and texture of wood. It is important to note that wooden white marble mosaic is not made from actual wood, it is made of natural grey marble instead.

Q: Can these wooden white marble leaf mosaic tiles be installed in wet areas, such as bathrooms or shower walls?

A: It is important to check the product specifications and consult with the supplier or manufacturer regarding the suitability of these mosaic tiles for wet areas. While some marble materials can be used in wet areas, proper installation and sealing are crucial to prevent moisture penetration.

Q: Is the actual product the same as the product photo?

A: The real product may differ from the product photos because it is a kind of natural marble, there are no two absolute same pieces of the mosaic tiles, even the tiles as well, please note this.

Q: Can I get any samples of this Leaf Shape Wooden White Marble Wall Mosaic Tile? Is it free or not?

A: You need to pay for the mosaic stone sample, and free samples can be offered if our factory has current stock. The delivery cost is not free paid as well.
