Product Detail:

Product Description

Stone mosaic tile is inlaid and collaged with small stones. Marble mosaic tile has a purely natural and natural texture, and has a very natural marble texture. The style is absolutely natural, simple, and elegant, and it is the highest grade in the mosaic family. We cut small marble chips into leaf shapes from the water jet machines, and then our workers match the chips on the model sheets and then mix them into leaf marble mosaics. This marble provides us with a vivid and swaying impression of the whole picture when the tiles are installed on the whole wall backsplash. We supply single-color marble like white marble, double colors like

white and grey, and three marble mixed patterns of this leaf mosaic backsplash tile product series.
