Product Detail:

Product Description

This is one of our new mosaic stone patterns. The whole tile is a long round tictax pattern, each tic tax unit is made of metal brass, white marble, and grey marble, and we need to use waterjet skills to cut the marble shapes. The white marble we used is Dolomite White marble from Italy, and the grey marble we used is Jiangxi Grey Marble from China. Bianco dolomite marble mosaic tile attracts more and more attention from designers and contractors in the contemporary interior decoration. When is mixed with other materials and other colors of

marble, we think it will give more inspiration to the designers and homeowners. On the other hand, we can change to other materials like black and green marble if needed.
