Product Application

Design creativity is to "respect the independence and be unique", construct scenes, realize customers' dreams, and make the space full of soulful meaning. At the same time, it is artistic, humanistic, and full of dreams and creativity. This Marble And Brass Waterjet Mosaic Tile is mainly applied on the backsplash wall decorations, such as vanity mosaic backsplash, mosaic splashback bathroom, and mosaic tiles above sink.

This is a complicated waterjet mosaic tile, every piece of chips are pasted on the mosaic back net manually, and each tile need to past dozens of white marble chips, grey marble chips, and round brass chips. It looks wonderful when installed on the decorative walls.
