### Product Detail:

#### Product Description

This grey stone mosaic tile is one of the extraordinary building materials mosaics collections. It is made of high-quality marble: wooden grey marble and wooden white marble, and is designed into flower mosaic patterns to enhance the beauty of any space, adding elegance and sophistication. The combination of wood gray and wood white tones creates visually stunning patterns that capture the essence of nature, it will meet the requirements of homeowners who prefer wooden-like material but want lifelong service life. Grey hexagon mosaic chips are inlaid in each flower to present individuation and personalization, while each small part is precisely cut and arranged to create a seamless blend of colors. The natural variations of marble add depth and texture to the mosaic, making it a captivating focal point in any room. The durable marble material

is resistant to heat, scratches, and stains, making it perfect for kitchen countertops, backsplashes, and even floors.
