FAQ

Q: Can I make the unit price per piece of this Decorative White Waterjet Marble Mosaic Brass Inlay Tile Backsplash?

A: Yes, we can offer you a unit price per piece, and our normal price is by per square meter or square feet.

Q: Is your product price negotiable or not?

A: The price is negotiable. It can be changed according to your quantity and packaging type. When you are making an inquiry, please write the quantity you want in order to make the best account for you.

Q: What area is the waterjet marble mosaic used on?

A: Waterjet marble mosaic is normally used on the wall and backsplash decoration of the kitchen, bedroom, and living room.

Q: How to calculate the quantity for one square meter?

A: Firstly, please get the tile size from us. Take a 305x305mm tile as an example, it will need:
 $1/0.305/0.305=10.8$, it needs about 11 pieces in one square meter. Because the tiles will be cut under installation, we suggest buying more pieces than budget.
