Product Application

The hexagonal shape of the tiles allows for versatile installation options. They can be used to create a seamless and cohesive look on the floors, and walls, or even as a decorative accent or backsplash. The incorporation of brass inlay adds a touch of warmth and elegance to the overall design of the bathroom mosaic, making it a perfect choice for those looking to add a luxurious touch to their space. This hexagon marble mosaic is specifically designed for bathroom applications, including showers. The use of marble ensures durability and resistance to moisture, making it suitable for high-moisture environments in a marble mosaic shower. The mosaic design also provides a slip-resistant surface, enhancing safety in wet areas.

Whether used as a feature wall, flooring, or accent piece, this special black and white hexagon mosaic tile offers a stunning combination of craftsmanship, style, and functionality. It is a perfect choice for those seeking a sophisticated and visually captivating mosaic tile for their bathroom or shower project.

FAQ

Q: Can this stone mosaic tile be used for both wall and floor applications?

A: Yes, the "Dolomite White and Marquina Marble Inlay Brass Hexagonal Marble Mosaic" is suitable for both wall and floor installations. Its durable marble construction ensures it can withstand daily foot traffic.

Q: Is the brass inlay prone to tarnishing or discoloration over time?
