FAQ

Q: Do you have a minimum order quantity?

A: Yes, we require all international orders to have an ongoing minimum order quantity, which normally is 100 m² (1000 sq. ft). And we will check whether the discount is acceptable for larger quantities.

Q: Do you support goods return?

A: Generally speaking, we don't support goods return service. You will spend a high shipping cost to return the goods to us. Therefore, please select the right items before ordering, you can buy and look at the real sample first before making a decision.

Q: How about the replenishment?

A: Please measure the exact paving area and calculate the quantity of each model before purchasing. We can also provide free budget service. If you need replenishment during the paving process, please contact us. There will be slight differences in the color and size in different batches, so there will be a color difference in restocking. Please try your best to complete the replenishment in a short time. Restocking is at your own expense.

Q: Can I make the unit price per piece?

A: Yes, we can offer you a unit price per piece, and our normal price is by square meter or square feet.
