## FAQ

Q: How to seal the marble mosaic tiles?

- A: 1. Test the marble sealer on a small area.
2. Apply the marble sealer on the mosaic tile.
3. Seal the grout joints as well.
4. Seal for the second time on the surface to enhance the work.

Q: How long does it take for marble mosaic tiling to dry after installation?

A: It takes about 4-5 hours to dry, and 24 hours after sealing the surface in a ventilation condition.

Q: Can stone mosaic tile be installed on drywall?

A: Do not directly install the mosaic tile on drywall, it is recommended to coat thin-set mortar which has a polymer additive. Thus the stone will be installed on the wall stronger.

Q: How can I pay for the products?

A: T/T transfer is available, and Paypal is better for a small amount.
