### Product Detail:

#### Product Description

In Wanpo company, all of our stone mosaics are not made from waste materials, most of them are cut from the remaining particles after the slabs are cut into standard tiles. We have a strict selection standard for the particles before manufacture, that those which have cracks or black dots must not be reused, and we try our best to maintain the same color in one production batch. This is a unique stone mosaic product, made of irregular geometric mixed marble colors to combine this brass and marble tile. We have various special and interesting stone mosaic collections for you to choose from in your house.

### Product Application

Our regular customers particularly value our commitment and professional service. Whether you are remodeling a bathroom, or kitchen, or building your dream home, Wanpo company can guide you in the selection of all your mosaics and tiles needs. Our natural marble mosaic collections are available for wall and floor decorations in the decorative areas you want.

Stone mosaic has the characteristics of both stone and mosaic. When cleaning, a special stone cleaning agent should be used. At the same time, attention should be paid to cleaning the gaps of each small brick in time.

## FAQ

Q: Is the actual product the same as the product photo of this Irregular Geometric Mixed Colors Brass And Marble Tile Mosaic Wall?

A: The real product may differ from the product photos because it is a kind of natural marble, there are no two absolute same pieces of the mosaic tiles, even the tiles as well, please be noted this.

Q: Can I make the unit price per piece?

A: Yes, we can offer you a unit price per piece, and our normal price is per square meter or square feet.

Q: Are you a factory or trading company?

A: Wanpo is a trading company, we organize and deal with a variety of stone mosaic tiles from different mosaic factories.

Q: Is your product price negotiable or not?

A: The price is negotiable. It can be changed according to your quantity and packaging type. When you are making an inquiry, please write the quantity you want in order to make the best account for you.
