### Product Application

Natural stone mosaic tiles can be used on surfaces for indoor environments such as kitchens, bathrooms, washrooms, floors, decorative backgrounds, and much more. Unlike the single and monotonous color of the marble tiles, marble mosaic tiles will bring you a rich and colorful area with

different shapes and colors combined. We recommend using a cloth with neutral detergent or a sponge with sapole powder to clean the material.

Drop us any comments, suggestions, or inquiries about our products and services. And we'll get back to you in the next 24 hours, we'd love to hear from you.

## FAQ

Q: Is your product price negotiable or not?

A: The price is negotiable. It can be changed according to your quantity and packaging type. When you are making an inquiry, please write the quantity you want in order to make the best account for you.

Q: Is the actual product the same as the product photo?

A: The actual product may differ from the product photos because it is a kind of natural marble, there are no two absolute same pieces of the mosaic tiles, even the tiles as well, please be noted this.

Q: Can I use marble mosaic tiles around a fireplace?

A: Yes, marble has excellent heat tolerance and can be used with wood burning, gas, or electric fireplaces.

Q: What is the difference between mosaics and tiles?

A: Tile is widely used as regular patterns on walls and floors, while mosaic tile is a perfect option for a figurative and unique style on your floor, walls, and splashbacks, and it improves your resale value as well.
