Product Application

Nero Marquina chevron tile pattern kitchen metal inlaid marble has a very wide range of fields of application. The blackness of this marble combined with the clever laying of the metal strip creates a sense of class and modernity. Black Marquina marble chevron backsplash can be used as a decorative material for kitchen backboards, it also protects the walls from moisture and oil stains caused by cooking. In addition, Nero Marquina Chevron tile pattern kitchen metal inlaid marble can also be used for kitchen floors. Its robustness and wear resistance make it ideal for being able to withstand high flows and frequent use. Marbling and metal borders on the kitchen floor can add a sense of luxury and sophistication to the entire space. Not only that, the black marble chevron floor tile for the bathroom is sturdy and wear resistant making it a durable investment that will retain its beauty and quality after years of use.

Nero Marquina Chevron Tile Pattern Kitchen Metal Inlay Marble is an elegant and durable finish material that can be used in a wide variety of applications, whether as a wall tile, backsplash, or flooring material, it provides an impressive finishing touch to your living area.

FAQ
