Product Detail:

Product Description

This mosaic pattern is our new arrival stone mosaic product. All of the materials are one percent natural, we use Crystal White Marble, Carrara White Marble, and Italy Gris Marble triangle chips to match a dimensional diamond shape, and every single diamond is surrounded by long-shape chips, which are also made of Crystal White Marble. The chips are small and look elegant, while the effect will look perfect after installation them on the wall. The colors contain white, dark grey, and light grey, which makes the whole tile looks more layered.
