Product Application

This natural marble mosaic has high hardness, high density, and small pores, and is not easy to absorb water. It can be used in kitchens, bedrooms, toilets, and bathrooms. This Decorative Waterjet Tile Gray And White Flower Marble Mosaic as bathroom wall tiles, bathroom backsplash mosaic, marble tile bathroom floor, mosaic kitchen wall tiles, and decorative backsplash behind cooktop will add more colorful elements to these decorations.

Because the price of the waterjet stone mosaic tiles is not the same depending on the complexity and quantity, therefore, we will offer you a reference quotation before we get the specific details from your project.

FAQ

Q: What should I do if there are damages happened when I get the goods?

A: Natural mosaic marble tiles are heavy-duty building materials, and bumps are inevitable during transportation. Generally, within 3% are normal damages. These damages can be used in the corners without waste. You can lay them first. Due to bumps and losses during the construction process, please check whether the mosaic tiles are damaged no not as soon as possible after you get the goods. If you encounter damage, please take photos and contact with your sales manager to solve this problem.

Q: How about the replenishment

A: Please measure the exact paving area and calculate the quantity of each model before purchasing. We can also provide free budget service. If you need replenishment during the paving process, please contact us. There will be slight differences in the color and size in different batches, so there will be a color difference in restocking. Please try your best to complete the replenishment in a short time. Restocking is at your own expense.

Q: When do your company was established?

A: Our company is established in 2018.

Q: Can I visit your factory?

A: Sure, welcome to visit our factory.
