Product Detail:

Product Description

Our natural marble mosaic tiles are made of natural marble which can adapt to both cold and hot temperatures. It does not deform and is not easy to wear under extreme weather and has a long service life with the buildings. This is our new marble mosaic tulip pattern and it is made of light gray marble and white marble and decorated with dark grey marble diamonds. Every piece of the chip is pasted by hand onto the whole tile mesh carefully. The processing surface is polished with high glazing degrees, and the reflective effect happens on

the sunlight or electric light. The patterns look tiny and harmonious with well-matched colors and marble textures.
