Product Description

The popular white marble and brass Harlow picket mosaic wall tile is a very popular decorative wall tile with superior quality and unique design. Made of high-quality white marble and brass materials, this white picket mosaic tile product combines traditional and modern elements, making it the highlight of any interior space. This tile is designed as a mosaic of small long hexagonal shapes in a unique geometric pattern. The natural veins of the Eastern White marble add elegance and stateliness to the walls, while the brass infuses the overall design with a touch of modern chic. This contrasting combination makes this

Harlow picket mosaic tile unique and perfectly suitable for every interior style. This tile is not just a decorative material, but also has excellent performance and reliable durability. White marble is hard and won't scuff or scratch easily, keeping it looking great for a long time. The brass material has excellent corrosion resistance, is not easy to rust, and can maintain a good appearance in a humid environment. The popular White Marble and Brass Harlow Picket Mosaic Wall Tiles are not only suitable for residential projects but also for decoration in commercial and public places.
