Product Description

Wanpo company offers a wide variety of natural marble mosaics, marble with brass inlay mosaics, and mother-of-pearl marble mosaics. We buy directly from the best quality sources and have the best service at rock-bottom prices for our customers. This high-quality marble mosaic tile is in a unique design that is made of brass inlay marble. There are two same hexagonal parts combined, however, the triangle chips inside are different in material and color. The brass chips and the black marble chips are combined into triangles, while the two

parts are linked into big hexagons. This irregular combination will be more attractive than those regular hexagon marble mosaic patterns.
