### Product Detail:

#### Product Description

This exquisite "Waterjet Marble Mosaic White Tile With Brass Inlay For Wall/Floor" is a great combination of elegance and sophistication. This unique mosaic tile showcases the harmonious blend of gold and white hues, creating a captivating visual appeal that instantly elevates any space. Crafted with meticulous attention to detail, this marble and brass inlay mosaic features the timeless beauty of Greece's Crystal Thassos White marble, adorned with intricate brass accents. The waterjet cutting technique ensures precise and seamless integration of the marble and brass elements, resulting in a flawless masterpiece. The Thassos White marble serves as the backdrop, exuding an aura of purity and luxury. Its pristine white color with subtle veining adds depth and character to the mosaic, creating a mesmerizing visual effect. The brass inlay, delicately interwoven

in a vine-like pattern, introduces a touch of opulence and refinement. The combination of the gold and white color mosaic tile creates a focal point that effortlessly enhances the overall aesthetics of the space.

### Product Application

The Waterjet Marble Mosaic White Tile With Brass Inlay offers a myriad of applications, making it a versatile choice for various spaces. Its captivating design and luxurious appeal make it ideal for accentuating walls in living rooms, dining areas, or even commercial settings. In addition, this mosaic tile is perfect for backsplash installations, adding a touch of glamour and sophistication to kitchens or bathrooms. The waterjet cutting

technique ensures precise fitting around fixtures and creates a seamless flow of design. Whether used as a full backsplash or as an accent feature, the brass and white tile will undoubtedly make a lasting impression.

Our product offers a unique blend of elegance, luxury, and versatility. Its applications range from wall installations in residential and commercial spaces to stunning backsplashes that exude sophistication. With its captivating design, this gold and white mosaic tile is sure to transform any space into a visual masterpiece.

## FAQ

Q: What is the size of the individual mosaic tiles?

A: Because the waterjet mosaic tile has different shapes, the size of the individual mosaic tiles can vary depending on the specific product. It's recommended to refer to the product specifications or consult with the manufacturer to determine the exact dimensions.

Q: Can this mosaic tile be used for both walls and floors?

A: Absolutely! The "Waterjet Marble Mosaic White Tile With Brass Inlay" is designed for both wall and floor applications. Its durable construction makes it suitable for various interior spaces, adding elegance and sophistication to walls and floors alike.

Q: Is the brass inlay prone to tarnishing or discoloration?

A: The brass inlay used in this mosaic tile is typically treated with protective coatings or finishes to minimize tarnishing or discoloration. However, it's important to follow proper maintenance and cleaning procedures to preserve the brass's appearance over time.

Q: Can this mosaic tile be used in wet areas such as showers or behind a kitchen sink?

A: Yes, this mosaic tile can be used in wet areas such as showers or behind a kitchen sink. However, it's important to properly seal the marble and brass elements and ensure adequate waterproofing measures are in place to protect and maintain the tile's integrity in moisture-prone environments.
