Product Detail:

Product Description

China 3d stone tiles are popular in the world due to their rich raw materials and best prices.

Wanpo is specialized in different types of marble mosaics & tiles with a wide range of style designs. We offer a wholesale price for this grey and white mosaic diamond 3d marble tile to our customers. This diamond dimensional mosaic tile has a layering effect in that the two colors are interlaced tightly on the whole mesh and offer a new and modern style. We have two sets of different marble materials to make the tiles, and we can change to other marble items by customer's project demands.

Product Application

Decorating your office or home with natural stone mosaics is a popular and creative plan.

This grey and white mosaic diamond 3d marble tile is a modern and new pattern design and is ideal for floor and backsplash tile. It can be installed on both walls and floors, such as mosaic bathroom wall tiles, wet room mosaic floor tiles, mosaic kitchen wall tiles, and modern kitchen mosaic backsplash will gain a good effect on the whole background.

Marble is soft and porous in nature, but it can be scratched and stained after a long time of use, Therefore, it needs to be sealed regularly, like for one year, and often clean the backsplash with a soft stone cleaner.

FAQ

Q: Is marble mosaic good for shower floor

A: It is a good and attractive option. Marble mosaic has many styles to choose from 3D, hexagon, herringbone, picket, etc. It makes your floor elegant, classy, and timeless.

Q: How many days do you spend preparing the sample?

A: 3-7 days usually.

Q: Where do marble mosaic tiles need sealing

A: Bathroom and shower, kitchen, living room, and other areas where applied marble mosaic tiles all need sealing, in order to prevent staining, and water, and even protect the tiles.

Q: Could I know some details about your company's business?

A: Our Wanpo company is a marble and granite trading company, we mainly export finished and semi-finished products to our clients, such as stone mosaic tiles, marble tiles, slabs, and marble big slabs.
