Product Application

Beige color marble mosaic backsplash will offer a warm and peaceful feeling for your living areas such as the kitchen, bathroom, and bedroom. This tumbled 3d marble mosaic stone tile is a good decoration material for natural stone mosaic tile backsplash designs. It is a perfect wall with a soft uneven effect as the mosaic bathroom wall tiles and mosaic kitchen wall tiles.

This 3d stone mosaic tile has an uneven visual look, and the surface is uneven on the wall. It is better to clean the wall timely with some soft tools and keep the whole wall tidy.

FAQ

Q: How to seal the marble mosaic tiles?

- A: 1. Test the marble sealer on a small area.
2. Apply the marble sealer on the mosaic tile.
3. Seal the grout joints as well.
4. Seal for the second time on the surface to enhance the work.
