FAQ

Q: Is marble mosaic good for shower floor

A: It is a good and attractive option. Marble mosaic has many styles to choose from 3D, hexagon, herringbone, picket, etc. It makes your floor elegant, classy, and timeless.

Q: Will marble mosaic backsplash stain?

A: Marble is soft and porous in nature, but it can be scratched and stained after a long time of use, Therefore, it needs to be sealed regularly, like for 1 year, and often clean the backsplash with a soft stone cleaner.

Q: How long does it take for marble mosaic tiling to dry after installation?

A: It takes about 4-5 hours to dry, and 24 hours after sealing the surface in a ventilation condition.

Q: Can I install the mosaic tiles by myself?

A: We suggest you ask for a tiling company to install your wall, floor, or backsplash with the stone mosaic tiles because tiling companies have professional tools and skills, and some companies will offer free cleaning services as well. Good Luck!
