Product Application

At Xiamen Wanpo company, we have an extensive range of natural stone mosaics and tiles for different areas in your home, from the typical areas like kitchens and bathrooms to living rooms and bedrooms, that are suitable for use as a mosaic stone wall and floor tiles.

Please keep in mind that variation of texture and color exists in all-natural marble products, therefore, it is the best way to visit our company if you are in China, or ask for a piece of samples to do some evaluations.

FAQ

Q: Will marble mosaic surface stain?

A: Marble is from nature and it contains iron inside so it can be prone to staining and etching, we need to take measures to prevent them, such as using sealing adhesives.

Q: What is the packaging of the product?

A: Our mosaic stone packaging is paper boxes and fumigated wooden crates. Pallets and Polywood packaging are also available. We support OEM packaging as well.

Q: Do your products support customization? Can I put my logo on the product?

A: Yes, customization is available, you can put your logo on the product and cartons.

Q: What seal can I use on the marble mosaic surface?

A: Marble seal is OK, it can protect the inside structure, you can buy it from the hardware store.
