FAQ

Q: How to clean the marble mosaic shower floor?

A: Using warm water, mild cleaner, and soft tools to clean the floor.

Q: Should I choose marble mosaic tile or porcelain mosaic tile?

A: Compared with porcelain mosaic tile, marble mosaic tile is easier to install. Although porcelain is easier to maintain, it is easy to be broken. Marble mosaic tile is more expensive than porcelain mosaic tile, but it will increase the resale value of your home.

Q: What is the minimum order quantity?

A: The MOQ is 1,000 sq. ft (100 sq. mt), and less quantity is available to negotiate according to the factory production.

Q: What is your delivery means?

A: By sea, air, or train, depending on the order quantity and your local conditions.
