Product Detail:

Product Description

Stone mosaic tiles are the final and the finest application of natural stone, and it has various styles simple and complicated ones. Simple styles like square, subway, herringbone, and round shapes, while complicated styles like waterjet patterns and other mixed shapes on a modular mosaic tile. We use marble to produce a waterjet stone tile, and arabesque and flower are the main styles of waterjet marble mosaic. We always combine different marble materials to organize different flower marble mosaic tile shapes, such as sunflowers, daisies,

lily flowers, and iris flowers. This product is made of white and black marble based on a daisy flower pattern.
