FAQ

Q: What is the minimum order quantity?

A: The MOQ is 1,000 sq. ft (100 sq. mt), and less quantity is available to negotiate according to the factory production.

Q: Can I use this water jet mosaic marble tile around a fireplace?

A: Yes, marble has excellent heat tolerance and can be used with wood burning, gas, or electric fireplaces.

Q: Marble tile or mosaic tile, which is better?

A: Marble tile is primarily used on floors, mosaic tile is especially used to cover walls, floors, and backsplash decoration.

Q: What is the difference between mosaics and tiles?

A: Tile is widely used as regular patterns on walls and floors, while mosaic tile is a perfect option for a figurative and unique style on your floor, walls, and splashbacks, and it improves your resale value as well.
