FAQ

Q: Could I know some details about your company's business?

A: Our Wanpo company is a marble and granite trading company, we mainly export finished and semi-finished products to our clients, such as stone mosaic tiles, marble tiles, slabs, and marble big slabs.

Q: What are your main products?

A: Our main products include marble stone mosaic tiles, marble tiles, granite products, and other products.

Q: How do I care for my marble mosaic?

A: To care for your marble mosaic, follow the care and maintenance guide. Regular cleansing with a liquid cleanser with mild ingredients to remove mineral deposits and soap scum. Do not use abrasive cleaners, steel wool, scouring pads, scrapers, or sandpaper on any part of the surface.

To remove built-up soap scum or difficult-to-remove stains, use varnish thinner. If the stain is from hard water or mineral deposits, try using a cleaner to remove iron, calcium, or other such mineral deposits from your water supply. As long as the label directions are followed, most cleaning chemicals will not damage the surface of the marble.

Q: Marble tile or mosaic tile, which is better?

A: Marble tile is primarily used on floors, mosaic tile is especially used to cover walls, floors, and backsplash decoration.
