**Model No.:** WPM143

**Pattern:** Leaf

**Color:** White

**Finish:** Polished

**Material Name:** Oriental White Marble

### Product Detail:

#### Product Description

Our stone mosaics are not made from waste materials, most of them are cut from the remaining particles after the slabs are cut into standard tiles. We have a strict selection standard for the particles before manufacture, that those which have cracks or black dots must not be reused, and we try our best to maintain the same color in one production batch.

This marble leaf mosaic tile is made of Oriental White Marble, which is a Chinese white marble, people also call it Chinese Carrara Marble. Mosaic Carrara marble tiles are one of the

most popular materials among all tiles, while the Oriental White Marble looks more transparent on the surface than Carrara White Marble. Secondly, this leaf marble mosaic product is made of long picket-shaped chips and combined into leaves and branches, unlike the stick-on mosaic tiles, purely natural stone mosaic tile brings more true feelings to your house.

### Product Specification (Parameter)

**Product Name:** White Natural Stone Mosaic Wall Tiles Leaf Pattern Backsplash

**Model No.:** WPM143

**Pattern:** Leaf

**Color:** White

**Finish:** Polished

**Material Name:** Oriental White Marble

### Product Series

### Product Application

The common application of this white natural stone mosaic wall tiles leaf pattern backsplash is for the interior back-splash wall decoration, such as marble mosaic wall tile and stone mosaic tile backsplash in the bathroom and kitchen.

This marble is transparent on the surface, if it is exposed to the sun for a long time, it may cause the surface to fade, so it is best to install it indoors, and this leaf-shaped style is also more beautiful on the baffle wall installed indoors.
